The book was so fun and I am so happy that my sister recommended it to me. It has some romance and scenes that will make you laugh. I highly recommend this book. I hope to read all of the other books in the series. Zombierella is the best book I have read this year.

## LIBRARIAN profile

Hello! I've been the librarian at Downside Primary for 5 years. I enjoy discovering new books and helping children find stories they'll love. Two of my favourite books are Amari and the Night Brothers by B.B. Alston and Skysong by Abi Elphinstone. I can't wait to help you discover your next favourite read!
